

**Erev Shabbat Service at the
Wilborn Temple
(Lancaster, Jay & Swan in Albany)
Friday, June 1, 2018
4:30 PM - Visit the Temple
5:30 PM - Service****

****Celebrating the 180th anniversary we are conducting our Friday evening Service at the old Temple downtown. Rabbi Shpeen and Cantor Schechtman will be turning the clock back and recreating a Shabbat service using the liturgy of the old UNION PRAYERBOOK and the music of that era as well. Truly a nostalgic return to a bygone era AND a glimpse of what our worship services were like for our grandparents and great-grandparents generation!!**

Bus transportation will be available to and from Beth Emeth. Departures will begin at 4:30 PM for those who wish to explore the temple - our spiritual home before the construction of our present temple on Academy Rd and will continue thereafter Anyone who wishes to tour the old Temple prior to our service should register for the 4:30 pm departure. Those who wish to just attend the service, should register for a bus that will depart after 4:30 pm (as soon as they are filled) . . . and most likely every 15 minutes with the last departure at 5:00 pm. You must be at CBE by 5:00 pm for the final departure bus. Questions? Contact Deb Sokoler - dsokoler@bethemethalbany.org or 518 436-9761 x230
