

Mitzvah Day Registration Instructions

By APRIL 8, please sign up in one of the following ways:

-  **Complete this form and return it to one of the temple offices.**
-  **Look for the Mitzvah Day link on your congregation's web-site.**

PLEASE: *Indicate 3 choices of a Mitzvah Day Team. Some locations limit the number of volunteers we can send. We will try to place you in your first choice, but will place you where you are needed most.*

We will keep your family together if you make the same choices.

Please review the team descriptions (on the other side of this flyer) which include information on volunteer time, location, and age restrictions for children.
